Better Never Stops

21st June 2021

Sports Day

Dear Parents & Carers,

Schools have now received updated guidance regarding Sports Days. Please read this letter very carefully, together with the separate document: 'Guidelines for Parents – Sports Day'.

Sports Day can go ahead with the following safety measures in place:

- Social distancing between all adults
- Face masks must be worn by parents
- Good hand-hygiene (sanitise hands on arrival and departure)
- Sports equipment is cleaned between groups

Groups

Government guidance states: *Spectators can gather in separate groups of up to 30 – the legal gathering limit. Multiple groups of 30 are permitted.*

Therefore, on arrival, you will be allocated an area to watch the event (chairs will be provided). You must remain seated in this area at all times and will not be able to mix with other groups, including the children. You must remain socially distanced from other families. You will be able to remove your face mask whilst seated.

And keep your fingers crossed for good weather!

Please contact the school office if you require any further information.

Yours sincerely,

Mr Guy Walsh
Headteacher
