Better Never Stops

15th July 2022

Heat Wave

Dear Parents & Carers,

Next week, temperatures in excess of 30 degrees are forecast. If this proves to be the case, we may need to alter or cancel planned events, for example PE sessions, playtimes, or other outdoor events. Please be assured that we will keep everything under review, and prioritise the safety of the children above all else.

Children are welcome to wear their PE kits to school next week if that helps them to stay cool.

Please ensure your child has sun-cream applied before school (they can bring a bottle to school also) and a sun hat and water bottle in school every day.

Please contact the school office if you have any specific questions or concerns.

Yours sincerely,

Mr Guy Walsh
Headteacher
