Admissions Statement

Denton Community Primary School has a Nursery Class (Tiddlers). Although the Nursery forms part of the school we manage the Nursery admissions separately. Admissions to Reception Classes in September are governed by East Sussex County Council using a predetermined timetable and set of criteria. Admissions to the Nursery are managed by the School Business Manager. A Nursery application can be made at any time in the academic year.

It is important to note that admission to the Nursery is NOT a guarantee of a Reception place in Denton Community Primary School.

Aims

The aims of this policy are:

To establish an admissions policy governed by clearly defined criteria that may be promulgated to Parents and other professionals.

To ensure that access and entitlement to our Nursery is fair and equitable.

Eligibility and criteria for admission

Children are generally eligible for a funded place at the Nursery in the term after their 3rd birthday. This funding entitles the child to five 3 hour sessions (15 hours 8.30am – 11.30am) per week within the Nursery. The qualifying funding dates are set out below:

For children born between	Funding will start from
1 st April and 31 st August inclusive	1 st September following their 3 rd birthday
1 st September and 31 st December inclusive	1 st January following their 3 rd birthday
1 st January and 31 st March inclusive	1 st April following their 3 rd birthday

If places are available in the Nursery it may be possible to admit children in the Term in which they have their 3rd birthday. This would be on a fee paying basis. Fees currently stand at £18.00 per 3 hour session and are reviewed annually by the governing body. Invoices are sent out termly and monies should be paid in advance to the school Business Manager.

The school Business Manager will offer children a place once they have reached their 3rd birthday according to the criteria in the following order of priority.

1. Children who will have their 4th birthday before August 31st in the year of admission living in the catchment area
2. Children in the care of a Local Authority
3. Children with a compelling educational and/or social or medical need as referred by a professional (e.g. Social worker, Speech Therapist, Health Visitor, Doctor)
4. Children who have an elder sibling attending Denton Community Primary School in the September of the year of admission.
5. The position of the child's home address in relation to the school

Within the above criteria, each application is always considered very carefully on its individual needs.

Applications to the Nursery can be made at any time of year. An application form can be requested at the school office. Once an application has been completed an acknowledgment will be sent. It should be stressed that this receipt is confirmation that we have received the application and **NOT** an offer of a place.

Nursery consideration list

We keep a record of applications to join the Nursery and organise this by date of birth. We use the criteria set out above to determine admissions throughout the year. Each term we review available places and use our admissions criteria to identify children who are eligible. Once we have identified children who are eligible we will contact the parent/carer in writing to confirm the allocated place. At this point parents and carers will be asked to notify the school of any changes to the original application and to confirm their acceptance of the place. Once a place has been accepted the offer will not be withdrawn.

Nursery Session times

The Nursery session times run from 8:30-11:30am for morning sessions, 8.30-3pm for all day sessions. We also have an extra lunch session available for one hour 11.30-12.30 available to morning children. The Nursery follows the term dates and INSET days for Denton Community Primary School. It is possible for children to attend on a part time basis but this should be identified on the application form and discussed with the school Business Manager.

Sessions agreed cannot be changed during the term due to claiming the headcount funding. If you wish to amend your child's hours, please contact the school Business Manager to discuss this.

Settling in

The Nursery has a settling in policy which sets out in detail the arrangements for settling a child into the Nursery. All children are offered a one session with the Nursery Teacher and Deputy Nursery Supervisor. Children will also be given the opportunity to visit the setting during session times. Once they start, a flexible and individual program will be established through discussion between the child's key worker and the parent or carer.

Additional fees

Fees for children who are not yet in receipt of the Nursery Education Grant are currently £18.00 per 3 hour session. Parents are invoiced termly in advance. Children who are eligible for funding but claim in multiple settings will be charged for additional hours over the 15 hour maximum at a rate of £6.00 per hour. These charges will be invoiced termly in advance.

30 hour childcare code

For children accessing 30 hours free childcare, the 11-digit code, obtained from Gov.uk, must be provided to the school Business Manager a week before the end of the term so that this can be validated.

It is parental responsibility to renew this code regularly. If the code is not renewed in time, your child will not be able to access the 30 hours.

Uniform

Nursery uniform is:

Navy jumper or cardigan – logo optional

Black/grey jogging bottoms/knee length shorts (buttons and zips difficult for little ones)

Black/grey skirt or pinafore dress

Blue and white dress

Leavers during the year

If a child is withdrawn from the Nursery during the school year, parents should give the Nursery 1 terms notice if possible. We do understand that in some cases this will be problematic so please talk to us if you have any concerns. We cannot normally hold places open for children and once a child has left we will offer that place in accordance with our admissions criteria. If parents or carers later wish their child to return to the Nursery they will need to reapply for a place and the application will be considered with all others, according to the admissions criteria.

Attendance and loss of a Nursery place

We would like to emphasise that if a child is to benefit fully from his or her time at Nursery then it is important that they attend regularly and on time. We recognise that circumstances can make punctuality and attendance difficult at times and we would encourage anyone experiencing problems with this to contact the school Business manager who will then try to find a solution with the family. In extreme cases of non-attendance, we will invite the parents for a discussion meeting. If we are unable to contact parents to discuss prolonged or repeated absence then this may result in the child's place being lost. In this case parents or carers would be notified in writing.

Holiday requests are authorized for 10 sessions. Any time over ten sessions will be recorded as unauthorized. Ten or more unauthorized sessions will result in notice being given and the child's place will need to be re-applied for in the next funding period.

Transferring to Primary School

It is important to reiterate that an allocated place in the Nursery is no guarantee of a place in the school. Parents must comply with the East Sussex County council school admissions procedure. Nursery Staff will advise parents and carers about the dates for applications. Nursery staff will liaise closely with colleagues in Reception classes to ensure a smooth transition to the child's chosen or allocated school. Reports and agreed records will be forwarded.
