Better Never Stops

27th May 2021

Test and Trace during the half term

Dear Parents & Carers,

Public Health England recommend all parents & carers, and staff, should be aware of the following information and relevant arrangements regarding positive cases during the half term:

- Staff, parents and carers should follow contact tracing instructions provided by NHS Test and Trace.
- Over the half term, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school will assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.
- To inform us of a positive case, **you must email:** office@denton.e-sussex.sch.uk

Please do not call the school office; the phone line is not regularly manned during school holidays.

Please do not hesitate to contact me if you have any questions.

Yours sincerely,

Mr Guy Walsh
Headteacher
