## Your School Needs You! Volunteer Army

Dear Parents & Carers,

We are recruiting a 'Volunteer Army' to help us further support the children in school.

As we are all too aware, the children have missed a huge amount of time in school and we want to offer them as much opportunity as possible now that we are fully re-open.

We are hoping to recruit one or two adults per class, and in the first instance, we would like you to come in once a week and spend a few minutes reading with each child in the class (this usually takes a couple of hours). Reading is the foundation of learning, and we know that children reading regularly to adults makes a huge difference to their reading skills. In order to keep things as safe as possible, you would be 'reading' within your child's bubble.

If you are interested in signing-up, please contact the school office!

Many thanks for your support.

Yours sincerely,

Mr Guy Walsh  
Headteacher
