**Better Never Stops**

12<sup>th</sup> March 2021

Dear Parents & Carers,

I hope this finds you safe and well.

### **Diary Dates:**

**Friday 19<sup>th</sup> March:** Comic Relief (dress in red and bring in £1 for the charity)

### **Full re-opening**

Thank you so much for all your support with the full re-opening this week. The children seem delighted to be back with their friends and we are delighted to have them safely back. It has been an incredibly turbulent time for all the children, full of change and uncertainty. It may take some of the children a few weeks to get to grips with things, but please let us know if you have any particular concerns and we will do all we can to help.

### **Asymptomatic testing for parents & carers (home test kits)**

Asymptomatic testing (home testing) is available for parents & carers who have children attending any school setting. Asymptomatic testing is voluntary in primary schools, and the more people taking part, the safer the community becomes. Asymptomatic testing is for parents and not for primary school children. Should your child develop symptoms they must self-isolate and book a PCR test.

Follow this link for more information: <https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff>

### **Class Dojo**

Now we have returned to a 'normal' work pattern, please be aware that teachers are only able to respond to Class Dojo messages during their working day (ie. when they are in school and not in the evenings or at weekends). Thank you for your support with this.

### **Playtime snacks**

If your child brings in a playtime snack, please make sure it is 'healthy' (which means no cakes, chocolate or crisps I'm afraid). Early Years and Key Stage One children are provided with a fruit snack every day. Key Stage Two children can bring in their own healthy snack.

## Coats

Please make sure your child has a coat in school every day. The British weather never fails to surprise us. Many thanks.

If you require any further information, please contact the school office.

I hope you enjoy the weekend – likely to be good weather for flying a kite!

Yours sincerely,

Mr Guy Walsh  
Headteacher
