February 2023

Dear Families,

We are very excited that our performance date is so close now. The children have worked really hard in rehearsals and our dance is looking fabulous - we are really looking forward to sharing this with you on our performance day!

In this letter there is important information about the day itself as well as important reminders - please read it carefully and contact the school if you have any problems or questions at all.

Dress Rehearsal

Please ensure that your child has their **full costume**, a bottle of water and a snack in school on Monday 13th March. We will be going to the Congress Theatre via coach at 1:15pm and are **due back to school at 3:30pm. Please note this later pick-up time.**

Evening Performance

Please ensure that your child is brought to meet us at our meeting point (see below) on **Monday 13th March at 5:50pm.** We will be meeting outside the entrance to the Towner Gallery, which is adjacent to the Congress Theatre. See picture for further clarification:

N.B. Children must be in their costumes and ready to perform - we will not have space or time to get changed backstage. Please also ensure that your child has a snack and a bottle of water.

There will be several school adults to support the children throughout the event so you can drop them off with us and then head to the venue yourself to enjoy the evening.

During the Performance

We will be performing in the second half of the show. However, the children (and school adults) will be sitting together in pre-allocated seating from the organisers - they will not be able to sit with their families. You will not be able to see your child during the interval as we will be moving to our dressing rooms backstage. Thank you in advance for your co-operation in this matter.

After the Performance

The show is due to end at 9pm. At the end of the show, please wait until our school is called to be dismissed. This is arranged by the main organisers and will be very clear. You must make sure you tell our school adults who you are taking so that we can ensure everybody gets home safely. **Please ensure that you have returned the slip below so that we know who is picking up each child and we have a contact number in case of emergency.**

Photos and Videos

Please refer to the previous communication about ordering photos and videos of the event - these are being taken by a professional photographer and videographer. There may also be opportunities to order these at the venue itself on the day.

Thank you in advance for reading the information thoroughly and carefully. We very much look forward to seeing you on Monday 13th March!

Yours sincerely,
Mrs Stevens
